

Aquatic Risk Management Series

Public Pools & Waterparks Hotel / Motel Pools Beaches

In today's legal environment, managers of pools and beaches are held to high standards. Why not "arm" yourself and your staff with the tools needed to reduce injuries and save lives?

Aquatic Safety Research Group caters to pool and beach managers with industry-specific strategies to reduce liability, minimize injuries, and avoid or defend costly lawsuits.

"The most comprehensive training we have EVER had on the subject!"

With ASRG's **A.R.M. Series** for Public Pools, pool operators will learn cost-effective, cutting-edge strategies for minimizing risks and saving lives.

Doctor Griffiths and Attorney DeRosa bring real life energy and experience to the classroom, making our one-day **A.R.M. Series** workshops among our most popular and most practical.

Our **A.R.M. Series** for beaches addresses risk management strategies at both guarded and unguarded swimming areas, including lakes, ponds, oceans and rivers. No other program offers such a comprehensive analysis of beach management!

ASRG will work with our clients to customize these programs to meet *your* unique training needs! Customization can include Critical Incident Response, Media Relations, and much more!
